

POLICY

INFORMATION SECURITY MANAGEMENT SYSTEM POLICY

Ace Manufacturing Systems (AMS) is in the business of Design, Development, Manufacture, Installation, Commissioning of CNC Machining Centres, Turnkey services and solutions.

We at AMS are committed to:

- ✓ **Protect the information, information processing assets and facilities of all our stakeholders to ensure confidentiality and integrity,**
- ✓ **Provide awareness to all personnel with respect to information security issues,**
- ✓ **Ensure continual improvement of information security in all our IT activities / processes while meeting applicable business, legal or regulatory and customer requirements for ensuring business continuity,**
- ✓ **Carry out regular review of our Information Security Management System to enable proactive actions and implement policies to prevent security breaches,**
- ✓ **Make this policy available to interested parties, as appropriate.**
